

1) What went well.....

- **Good sharing of information (x7)**
- **Good learning of NMN plans (x2)**
- **Finally more talk about PM together (x2)**
- **The interaction with other people from other sites was very good (x3)**
- **Work group development (x5)**
- **All the information was great**
- **CHUG updates**
- **All presentations were nicely done**
- **Great group discussions (x2)**
- **Interaction with peers is always helpful**
- **Meaningful use segment is always helpful (x2)**
- **Very organized meeting**
- **Great guest presenters**
- **Always nice to be together, meet new members and share experiences**
- **Great to be working towards standardization**
- **Appreciate hearing the EHR tips and Tricks from team leads.**

2) Areas of Improvement....

- **Could have had shorter NMN Quality presentation**
- **More Clinical application sharing**
- **Pre work & handouts in advance**
- **Nothing (x3)**
- **Need more nursing representation from all sites**

- **Maybe look at 2 half days. Too long sitting all day.**
- **Need more time. Maybe add another ½ day.**
- **More specific Strategic Plan**
- **Too much content to cover in one day (x2)**
- **Stricter adherence to agenda and having presenters aware of their time allowed (x2)**
- **More breaks**
- **Printed copies of all handouts**
- **Less time on history of NMN – put that in a handout**
- **More protein at breakfast and Kleenex available**

3) Logistics.....

- **Room was a little tight (x5)**
- **Nice room but very warm (x2)**
- **Need to have hot tea available**
- **Loved hotel room (x5)**
- **Need more space (x2)**
- **Wonderful room set up and location (x6)**
- **Maybe look at Canal Park Lodge – they have a great conference room**
- **Food was excellent (x2)**
- **Like Fitger's better (x2)**
- **Bathrooms inadequate (x3)**
- **Nice meeting room (x2)**
- **Horseshoe arrangement of tables for better interaction**
